

Mid-East Prophecy Update – January 27th, 2008

- For our Mid-East Prophecy Update today, I sort of want to fast forward the clock to a post George W. Bush Presidency.
- It would seem that everything is shaping up and pointing towards the rapid fulfillment of specific and significant Bible prophecies.
- One of the most troubling thoughts amongst students of Bible Prophecy is the conspicuous absence of the United States.

Arutz Sheva - Bolton: Israel May Have to Strike Iran Soon - 19 Shevat 5768, January 26, '08 (IsraelNN.com) Former American Ambassador to the United Nations John Bolton hinted broadly Tuesday that Israel will have to strike Iran's nuclear program **on its own, and soon**. ... Bolton said an Israeli strike could be the last resort against Iran. Former Defense Minister Shaul Mofaz, ... hinted that the military option is growing more likely with time. ... Mofaz added: ... This is a historical time... This time, **no leader will be able to say 'we didn't know, we didn't understand the importance of this time.'** The world must do everything that is necessary in order to assure a future of **peace and prosperity** for the next generations as well."

- This seems to confirm what the Prophet Ezekiel prophesied would happen, and the United States doesn't come to Israel's defense.
- Actually, it seems that the U.S. has been coming to the defense of the so called Palestinians, and it's at the expense of the Jews.

- The U.S. has been pushing Israel to accept a Palestinian State, "living side by side in peace and security," by the end of this year.
- Not only is Israel expected to accept a Palestinian State, the burden is on Israel to divide Jerusalem, her eternal capital.

Zechariah 12:1-3 1 The burden of the word of the LORD for Israel, saith the LORD, which stretcheth forth the heavens, and layeth the foundation of the earth, and formeth the spirit of man within him. 2 Behold, I will make Jerusalem a cup of trembling unto all the people round about, when they shall be in the siege both against Judah and against Jerusalem. 3 And in that day will I make Jerusalem a burdensome stone for all people: all that burden themselves with it shall be cut in pieces, though all the people of the earth be gathered together against it. (KJV)

- The fact of the matter is; Bush will fail. According to Daniel 9:27, the Anti-Christ will be the one do it, and Bush isn't the Anti-Christ.

The White House Website – President Bush Discusses Israeli-Palestinian Peace Process (January 10th, 2008) "I share with these two leaders the vision of two democratic states, Israel and Palestine, living side by side in **peace and security**.
George W. Bush during his recent trip to Israel

1 Thessalonians 5:3 When people say, "There is **peace and security**," then sudden destruction will come upon them as travail comes upon a woman with child, and there will be no escape. (RSV)

- In a post Bush Presidency there will seemingly be a yearning for the Anti-Christ to finish what all others have attempted here-to-fore.
- The world is ready for the Anti-Christ to "confirm" this covenant, and with his policy destroy many as prophesied in Daniel 8:25.
- This so provocative because the church has to be removed before the Anti-Christ is revealed, according to 2 Thessalonians 2:1-12.
