- This is part 13 of a series titled; "The Perfect Prophetic Storm!" The world stage is being set and it's coming together to form this storm.

### 1. Iran's Islamic Eschatology

- In part one we looked at what the re-election of Iranian president Mahmoud Ahmadinejad means related to Islam's role in the last days.

### 2. The North Korea Factor

- Then in part two we looked at, "The North Korea Factor," and how they provide Iran with data, while Iran provides them with money.

### 3. A Global Quest for "Peace and Security"

- The 3<sup>rd</sup> condition leading to this "Perfect Prophetic Storm" is the global cry and international quest for "peace and security," in the world.

### 4. The "Two-State Solution"

- The 4<sup>th</sup> condition is what's being called the "Two-State Solution," with Israel and Palestine living together in "Peace and Security."

### 5. A Rebuilt Babylon in Iraq

- The 5<sup>th</sup> condition is the fulfilling of a prophecy about Babylon which will ultimately be destroyed. I believe this is a literal Babylon in Iraq.

### 6. The China Connection

- The 6<sup>th</sup> one that's coming together is how China and the nations in the East connect with and fit into the End-Times prophetic program.

### 7. The Fall of the United States of America

- The 7<sup>th</sup> condition for this perfect prophetic storm is the ever increasing likelihood that we'll see the unthinkable fall of the United States.

### 8. The World's Readiness for a World Leader

- The 8<sup>th</sup> condition that is even now coming together to form this perfect storm prophetically, is the world's readiness for a world leader.

### 9. Confirming of a 7 Year Peace Agreement

- The 9<sup>th</sup> condition is one that's seemingly time driven in urgently pushing forward the signing of an agreement for a Mid-East peace plan

### 10. A Russian-Iranian Nuclear Attack on Israel

- This Russian-Iranian led nuclear attack on Israel is perhaps the most provocative of all the Bible prophecies that form this perfect storm.

**Ezekiel 38:1-7** 1 Now the word of the LORD came to me, saying, 2 "Son of man, set your face against Gog, of the land of Magog, the prince of Rosh, Meshech, and Tubal, and prophesy against him, 3 and say, 'Thus says the Lord GOD: "Behold, I am against you, O Gog, the prince of Rosh, Meshech, and Tubal. 4 I will turn you around, put hooks into your jaws, and lead you out, with all your army, horses, and horsemen, all splendidly clothed, a great company with bucklers and shields, all of them handling swords. 5 Persia, Ethiopia, and Libya are with them, all of them with shield and helmet; 6 Gomer and all its troops; the house of Togarmah from the far north and all its troops -- many people are with you. 7 "Prepare yourself and be ready, you and all your companies that are gathered about you; and be a guard for them. NKJV

- In all my years of both studying and teaching Bible prophecy, I believe that we are now very close to the fulfillment of this prophecy.  
- Just this last week, eight years after the Islamic terrorist attack of 9-11, there have been some astonishing geopolitical developments.

**Fox News – Saturday, September 12<sup>th</sup>, 2009 - 'Missing' Netanyahu Made Secret Trip to Russia** - Israeli Prime Minister Benjamin Netanyahu made a secret trip to Russia, a deputy prime minister confirmed on Saturday, but declined to give specific information on the mission. ... Israel has expressed concern in the past over the possible sale of air defense missiles from Russia to Iran. The anti-aircraft missiles could potentially protect Iran nuclear facilities if Israel were to launch air strikes. Israeli reporters had called Netanyahu's office last Monday to inquire about the Prime Minister's whereabouts, and were told by his office that he was on a "military trip," visiting a security installation in Israel. Then on Wednesday, Israeli newspaper Yedioth Ahronoth reported that Netanyahu had, in fact, flown secretly to Moscow to discuss Israel's concern over the possible sale of Russian anti-aircraft missiles to Iran. Reports of the Moscow visit came just after the interception of a cargo ship off West Africa last month by Russian warships. Media reports, denied by Russia, stated that the cargo ship the Arctic Sea was carrying [S-300 missiles](#) to Iran, and that they had been detected by Israel.

**DEBKAFfile – Saturday, September 12<sup>th</sup>, 2009 - US submission to Iran's evasions spurs international pressure against Israeli military strike** – "Thursday, September 10<sup>th</sup>, Russian prime minister Vladimir Putin warned against the use of force or new sanctions against Iran, the toughest caution Israel has heard so far. Neither course will "solve the problem," said the Russian leader. The caution from Moscow followed frantic consultations in Jerusalem and Tel Aviv in the last week for a decision on whether Israel should resort to its military option for pre-empting the rise of a nuclear-armed Iran already on the threshold, according to US intelligence agencies. Our Moscow sources say the Russians may be expected to keep up their verbal pressure on Jerusalem. ... Putin explained his objections to military action as: "Russia has no reason to doubt that Iran's nuclear program is purely peaceful."

**The Wall Street Journal – Friday, September 11<sup>th</sup>, 2009 - Russia Says No to Iran Nuclear Sanctions - MOSCOW** -- Russian Foreign Minister Sergei Lavrov made it clear Thursday that Moscow wouldn't back any new rounds of tough sanctions against Iran in the United Nations Security Council, and he dismissed a U.S. timetable for securing progress from Iran on ending its nuclear-fuel program. ...Mr. Lavrov's comments also came amid a political storm in Israel over the disclosure that Prime Minister Benjamin Netanyahu had secretly traveled to Moscow earlier this week. Israeli media immediately speculated he was there to lobby against Russian sales of anti-aircraft arms to Iran that would hamper any Israeli strike.

- There are two questions on the international table, if you will;
- 1. Is Netanyahu preparing Israel for a preemptive strike against Iran?
- 2. Does Iran, (vis-a-vis Russia), now have the nuclear capability to attack Israel?

- I believe that we are on the cusp of seeing this amazing prophecy beginning to come to pass exactly as the prophet of old foretold.

So let us put aside the deeds of darkness and put on the armor of light. NIV

**1 John 3:2-3** 2 Dear friends, now we are children of God, and what we will be has not yet been made known. But we know that when he appears, we shall be like him, for we shall see him as he is. 3 Everyone who has this hope in him purifies himself, just as he is pure. NIV
